

PASSION LED US HERE

JOIN TODAY!

NDPHA

North Dakota Public Health Association

Join a group of like minded individuals who are passionate about improving, promoting, and protecting health for the residents of North Dakota through leadership in policy, partnerships, and best practices.

OUR MEMBERS

Include individual, as well as representatives of public, private, non-profit organizations and institutions who are interested in the health of North Dakotans.

Are poised for leadership to influence public health policies and practices at the local, state, and national levels.

There are many active sections for you to choose from:

- American Indian Public Health
- Emergency Preparedness and Environmental Health
- Health Policy, Planning, and Administration
- Nursing
- Nutrition
- Student
- Tobacco Prevention & Control
