Article VI – Sections

Section 1. The Association may be organized into sections pertaining to specific interests of Association members. Each section shall biennially elect a chairperson.

Section 2. A section may be created by at least ten members petitioning the Governing Council for such action. The Governing Council shall approve or disapprove the formation of each section.

Section 3. Each section shall be required to develop a work plan with goals and objectives and submit a report at the annual business meeting of the past year's activities. Written minutes of all meetings of sections shall be submitted to the Secretary/Treasurer.

Section 4. A section may be dissolved by the Governing Council upon written notice of the members of the section when the need for a section no longer exists.

Section 5. Each section shall elect a chairperson to serve a two-year term on the Council. These terms will be staggered, with half of the representatives elected at each annual meeting.

Section 7. Sections shall meet twice annually.
